## Volunteer Application

Thank you for your interest in becoming a volunteer for the Halfmoon Celebrations Association (HCA). Let me start by telling you a bit about our organization. We are a nonprofit community-oriented group that organizes and hosts family fun events with the intent of building a stronger, friendly community. We are not a department of the Town of Halfmoon, we are a separate entity, but we work very closely with and share the same goals to build a better community for the Town of Halfmoon residents and its surrounding communities.

Currently, none of our events require an admission fee, parking fee or service fee of any type. It is the goal of HCA to continue offering that service and to do so our volunteers assist in all areas of the organization which includes obtaining sponsors, working fundraisers, and securing donations to help support the operations.

Volunteers are required to attend meetings, assist in setting up and breaking down event locations and attending and participating in the events. Additionally, throughout the year, opportunities may come up for HCA to strengthen our own community relations and volunteers are always needed to assist.

Once a volunteer is in good standing for 1 year, you will have earned an HCA apparel and become eligible to run for an executive board position.

If you like making kids happy, creating holiday memories and bringing people together, then you're probably what we need. Fill out the application below and you will be contacted to set up and interview. All applicants must be 18 years of age or older.
